**Department of Regional Parks**

Sacramento County Regional Parks was established in 1959. With 15,000 acres of land, including four golf courses, a nationally-renowned nature center, and miles of trails and waterways, citizens can explore, experience and enjoy our regional park system every day of the year and not repeat the same experience twice. Regional Parks maintains and operates the American River Parkway, Dry Creek Parkway, Mather Regional Park, and other historic and natural sites.

**Position Descriptions:**

**Park Ranger Supervisor:**
Park Ranger Supervisors supervise employees in the classes of Park Ranger and Park Ranger Assistant. Incumbents also assist in the management of the County Regional Parks System by making recommendations on park improvements and abatement of hazards, assisting with the preparation of the annual budget, providing information to community groups on programs and activities of the Parks System, etc.

**Park Ranger:**
Park Rangers assist the public in the use of recreation facilities, protect the parks and their natural resources, and patrol the parks to ensure public safety. Park Rangers carry firearms and have the authority and responsibilities of peace officers. Under direction, they may be assigned leadwork responsibility over one or more Park Ranger Assistants and/or Park Maintenance Aides.
