PARADE ETIQUETTE

Is merely common sense and common courtesy

1. Be on time, set up and be waiting for the parade to start 15 minutes before the stated time.
2. During the Parade, be 'On Stage" you are going to have a good time. So, wave, smile and talk to the crowd while proceeding down the parade route.
3. You must allow 12-15 feet between you and the group in front of and behind you! DO NOT BUNCH UP ON THE ROUTE.
4. You must allow 20 feet between the group at the "Viewing Station" for the Announcer to properly present and view each group. Do not proceed into viewing area, until the group ahead of you has completely exited.
5. You need to bring Safety Pins, clear tape, or something to secure your parade number to your Group or Vehicle. This **number** needs to be on the **LEFT SIDE** of the group or vehicle for the announcer to identify you.
6. Keep in mind that the animals in the parade are in an unfamiliar environment. Parades have: Bands, Flags, Balloons, Fire Engines, Floats and a constantly moving crown, all an unfamiliar scene. Be patient with your animals. We set up in the parking lot, in the order of the parade, so EVERYONE can get used to their Neighbor participants.
7. If you start in the parade, you are expected to complete the parade route. If your vehicle breaks down pull to the side of the road, watching for the crowd.
8. The Road will be closed for 1 hour for the parade.
9. Any Parade Entry forms received after the dead line, will be subject to line up, behind the Fire Truck, where Santa rides, who is traditionally the end of the parade.
10. If you bring any animals, you are responsible for cleaning up the Poop after them. If you drop hay, pick it up, if you spill anything on the Parking lots, clean it up. We don't have any clean up crew, so be aware we are GUESTS to the School parking lot.
11. All parking is to be at Dillard School, NO PARKING in the Church Yard parking area.
